## MISSION FOCUS: Hamadera Bible Institute Sakai, Osaka, Japan

**PRAY** for those who minister through WAR as they serve in 45 countries to bring the safety and salvation of the Gospel to those helpless, poor and needy enslaved by evil. **PRAY** for ongoing efforts to build libraries and increase educational opportunities in safe houses around the world. One example is the safe house in Haiti. This year, 20 neighborhood women, in addition to residents, earned an 8<sup>th</sup> grade education and proficiency in sewing, culinary arts, or jewelry making. **PRAISE** God for 65 team members participating in the Gazelle Girl half marathon raising over \$45,000 for the Emergency 911 Fund initiative making resources available for WAR staff worldwide to rescue someone in imminent danger.

Closed Door Ministries assists key clergy, professional, and business leaders to reach their own in countries restrictive to traditional missions. Continue **PRAYING** for the Hakka Chin orphanage, home to 35 boys and girls. English proficiency is crucial for the younger generation in Myanmar to gain employment in this emerging tourist market. **PRAY** as CDM, at the request of the operators of the orphanage, gather a team to teach two weeks of English camps in January. Team members of various levels of skill and experience are needed as well as financial gifts for ESL materials.
