

MISSION FOCUS

Lee & Lonna Lowell-TransWorld Radio (TWR), North Carolina

Pray for Lee and Lonna, who serve at the TWR home office in Cary, North Carolina. Lee serves in IT, and Lonna serves on the finance team. Praise God for Andy Schick, the new TWR President and CEO, taking over for Lauren Libby, who suffered a stroke last August. Pray that God provides an Assistant Controller for the Cary Finance team. After nearly 50 years, TWR has made the difficult decision to wind down operations and end broadcasts on Guam by October 31, 20. TWR has initiated processes to transition 100% of its shortwave programming to other outlets, continuing to serve listeners in Asia. Lee and Lonna met while serving on Guam in 1981, and both their children were born there. Please pray for the TWR leadership and Guam team during this transition.
