## Selected Proverbs on the Neighbor

One who is righteous is a guide to his neighbor, but the way of the wicked leads them astray (12:26).

A friend loves at all times, and a brother is born for adversity (17:17).

A man of many companions may come to ruin, but there is a friend who sticks closer than a brother (18:24).

Faithful are the wounds of a friend; profuse are the kisses of an enemy. (27:6).

Oil and perfume make the heart glad, and the sweetness of a friend comes from his earnest counsel (27:9).

Do not forsake your friend and your father's friend, and do not go to your brother's house in the day of your calamity. Better is a neighbor who is near than a brother who is far away (27:10).

As iron sharpens iron, So a man sharpens the countenance of his friend (27:17 NKJV).
